June 2020

The commission **acknowledged the report** providing evidence of

- The proposed plan in response to COVID-19. No further information requested.

September 2019

The commission **accepted the report** addressing 4th edition

- **Standards C2.01b, d-f**, modified Self-Study Report (provided evidence of a self-study report that documented b) results of critical analysis from the ongoing self-assessment, d) modifications that occurred as a result of self-assessment, e) self-identified program strengths and areas in need of improvement and f) plans for addressing areas needing improvement). No further information requested.

September 2017

Accreditation-Continued; Next Comprehensive Evaluation: September 2027. The program's approved maximum class size is 60, effective January 1, 2017 and 70, effective January 1, 2018.

Report due May 1, 2019 (*Standards*, 4th edition) -

- **Standards C2.01b, d-f**, modified Self-Study Report (lacked evidence of a self-study report that documented b) results of critical analysis from the ongoing self-assessment, d) modifications that occurred as a result of self-assessment, e) self-identified program strengths and areas in need of improvement and f) plans for addressing areas needing improvement).

July 2016

Program Change: Incremental increase in class size (up to a class size of 60, effective January 1, 2017 and 70, effective January 1, 2018). The commission **approved the proposed change**. No further information requested.

February 2013

The program was notified of a change in the accreditation process (due to increase in program applications, commission meetings, in addition to March and September, to be conducted) Program's next validation review changed from September 2015 to September 2017 due to this change.

March 2011

The commission **accepted the report** addressing 3rd edition

- **Standard C4.01** (provided evidence the program consistently follows its processes for the initial and ongoing evaluation of all sites and preceptors used for students' clinical practice experiences). No further information requested.

September 2010

Accreditation-Continued; Next Comprehensive Evaluation: September 2015. The program is approved for up to 150 students.

Report due December 31, 2010 (*Standards*, 3rd edition) -

- **Standard C4.01** (lacked evidence the program consistently follows its processes for the initial and ongoing evaluation of all sites and preceptors used for students' clinical practice experiences).
